

Bless Every Home

Join an ever-growing community of Christ followers who are devoted to being a light in their neighborhoods by praying for the families nearest them to know Jesus and living out a Pray, Care, Share missional lifestyle.

BLESS EVERY HOME is a way to systematically pray for your neighbors. Each day you will receive by email a list of people who live near you so you can pray specifically for those households. A map is included so you will know which homes you are praying for. Using this plan, you can easily pray for over 100 families per month that live near you.

To sign up:

- 1) Go to blesseveryhome.com from your computer, tablet or smartphone.
- 2) When the website loads click the sign up button.
- 3) The next screen will ask for your name, your email address, allow you to setup a password, and ask for your home address.
- 4) When you click CREATE ACCOUNT an email will be sent to you.
- 5) When you check your email you should click the CONFIRM EMAIL ADDRESS button to confirm that you are signing up.
- 6) On the next page you will see a DASHBOARD and you should click the JOIN CHURCH button to become a part of the First Baptist Lafayette group. You can also choose how many neighbors you would like to "adopt," in prayer, and the days of the week you would like to receive emails.
- 7) Click SAVE CHANGES and you're finished.
- 8) You will begin receiving an email (each day that you selected in step six) with the names of five of your neighbors to pray for that day.
- 9) Please keep in mind that while every attempt is made to keep this list up-to-date, with people moving frequently you may get a name for a neighbor that is incorrect. Take advantage of the opportunity to pray for the neighbor that recently moved away, and for the one who recently moved in or will be moving in, even if you don't know their name.

Welcome

We're glad you're here!

When Will We Reopen Church Buildings?

While we are anxious to get back into our church building and see each other again, we want to make sure that we are safe when we do that. So, as we move forward, we want to balance caution with our desire to get together. We are working as a church staff, talking to medical professionals, taking into consideration recommendations from our government officials, and trying to be sure we make good decisions about what we are going to be doing.

In the coming weeks, as we get more information, we will be communicating with you what is going to be happening. Just as the government and businesses will be opening in stages, we will be doing the same thing. We ask that you be flexible and patient as we reopen in the coming weeks.
